

MISSOURI FCCLA AND THE MAKE-A-WISH FOUNDATION

The Make-A-Wish Foundation® transforms the dreams of children facing life-threatening illnesses into realities. Last year the Make-A-Wish Chapter in Missouri granted 82 wishes – everything from trips to Disney World, a new computer, to meeting Jeff Gordon and attending a NASCAR race. The average “wish” cost is approximately \$4,500. Missouri FCCLA and the Make-A-Wish Chapter in Missouri are “hand in hand” this year, trying to fund 3 wishes – that’s \$13,500 to raise in the 2004-2005 school year!

FUND ONE WISH BY...

...attending State Leadership Conference (SLC)
and purchasing the special \$10 FCCLA t-shirt!

FUND TWO WISHES BY...

...having each Missouri FCCLA chapter contribute \$20-\$25

FUND THREE WISHES BY...

...sending in a chapter donation AND purchasing the SLC t-shirt!
(Chapters unable to attend the SLC might consider increasing their chapter donation.)

FUND EVEN MORE WISHES BY...

...doing all the above and having a regional collection or collecting spare change for a month... be creative! FCCLA has the most creative and caring students in Missouri!
